The Rev. H. C. Northcott of Newport, now attending Huggles Campmeeting, is in his 75th year. He has been a preacher for more than half a century, and barring the loss of hearing, is still hale and vigorous. Due largely, no doubt, to his even temper and sunny disposition.

CAMPBELL'S "STAR" WITNESS.

George F. Weaver Proves Himself a Bigger Liar Than a Chinese Mandarin.

Another one of Tom Campbell's "star" witnesses has come to grief.

George F. Weaver, over whom the Goshelites papers had a conviction, saying he had dated Powers, and that he had even a rifle barrel stuck out of the window of the office of the Secretary of State on January 30th, 1900, the day Mr. Goebel was shot, was not in Frankfort that day.

He was one hundred and thirty miles from Frankfort.

The facts, as told herein, are taken from indisputable records; and show that Weaver was in Grayson Springs on the day Mr. Goebel was shot!

When George F. Weaver testified that he reached Frankfort on January 29th and saw the gun sticking out of the window of Caleb Powers's office, he was simply lying.

On the 29th day of January, 1900, Mr. Weaver was at Clarkston or Grayson Springs Station, in Grayson county, Ky., seventy miles west of Louisville. He had just taken the train for the number of weeks. On the 29th he took the application for members in the Order of the Woodmen of the World of Henry

Gore, Henry Dear, J. E. Mulhall and Headett Newton, all residents of Grayson county and reputable citizens, who will testify to the correctness of this statement. Mr. Weaver signed their applications and dated them in their presence on this day, January 29th, 1900.

On January 30, the day Mr. Goebel was shot, George F. Weaver was at the Higdon Hotel in Grayson Springs, and remained in and about there the entire day, talking to people about joining the Order and taking insurance. In the evening of the same day he attended a meeting of the Woodmen of the World and installed the following gentlemen and officers: C. W. Carter, William H. Horell, J. M. Cabbage, William J. Hodges, B. A. Hillard, Thomas Burke and W. T. Denton, as shown by the records of the Order, signed by the Secretary, William J. Hodges. He also, on the same night and in the presence of the Lodge, installed the following gentlemen and officers: C. W. Carter, William H. Horell, J. M. Cabbage, William J. Hodges, B. A. Hillard, Thomas Burke and W. T. Denton, as shown by the records of the Order, signed by the Secretary, William J. Hodges. These facts can be established at Grayson Springs by any number of citizens who saw Weaver when there.

Her Death This Morning—A Sufferer For Nine Years.

Mrs. Lizzie Layton, wife of Mr. O. G. Layton, died this morning at 12:30 at her home on Lee street after an illness of nine years of a complication of diseases.

The funeral will occur tomorrow morning at 10:30 o'clock at her late residence, the service being conducted by Mr. Howard T. Cree of the Christian Church.

Burial in the Maysville Cemetery.

MASON COUNTY WOMAN.

Jumps From Window and is Fatally Injured at Dayton, O.

A special from Dayton, O., says that at noon Saturday a woman of comely appearance, about 30 years old, bearing evidence of refinement and culture, was assigned with an escort to a room in the New York Hotel in that city.

The pair registered as Walter E. Holland and wife and were strangers there. The man soon left the hotel and did not return.

At 9 o'clock Saturday night the woman jumped from the window of her room to the stone-paved court in the rear of the hotel, a distance of over fifteen feet, sustaining probably fatal injuries.

She gave her name to the officers as Lucy Harris, and stated that she lived in Maysville.

She pitiously implored Sergeant Fitts to kill her and put her out of her misery, saying that her life was worthless since her lover had deserted her.

The Ledger representative thinks the lady's question was formerly a resident of the Orangeburg neighborhood, where she married a Mr. Farris.

Some time since she came to this city, remaining quiet for some time.

She was addicted to the use of opium, and while she was never arrested the police advised her that she had better leave this city.

She departed and nothing had been heard from her up to the present occurrence.

Defenses Cannot Be Made By local applicants, as they cannot reach the court in time to be heard in any way to cure defects, and that is by constitutional reasons. Defenses are caused by an inflated condition of the money market of the Kansasian Time. When this time came (inflated) you have a swelling sound, which is nothing but an inflated condition of the money market.

We will give one hundred dollars for any case of Defenses (caused by money) that cannot be made by local applicants. We will not be held by any law. We will give one hundred dollars for any case of Defenses (caused by money) that cannot be made by local applicants. We will not be held by any law.
